

Ordering through the West Virginia Statewide Immunization Information System (WVSIIS)

If your FQHC has sites in our high priority counties and you are enrolled in the Vaccine for Children's Program, please order your Hepatitis A vaccine through the West Virginia Statewide Immunization Information System (WVSIIS). This can be done by following the steps below:

1. Login WVSIIS
2. Reconcile Inventory
3. Click on Create/View Orders
4. Click on Create Order
5. Click on Select, from the Order Set drop box: **FQHC ADULT HEP A**
6. Under Order Quantity, type the number of doses requested.
Please use **increments of 10 up to 50 doses.**
7. Click on Submit Order
